STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE LICENSE OF

JOSEF F. VOSMEK, M.D.

Licensee

ORDER GRANTING REINSTATEMENT

By its Final Decision and Order dated April 22, 1998, the Medical Examining Board found that Dr. Vosmek had engaged in the practice of medicine at a time when he was not currently licensed to practice. The board ordered that he be enjoined from further practice until all requirements for renewal of his license had been satisfied and his license was renewed. In response to Dr. Vosmek's request for reinstatement at the board's meeting of June 24, 1998, the board wrote to Dr. Vosmek in part as follows:

As you're aware, the board's Final Decision and Order in this matter dated April 22, 1998, orders that your license be suspended for 90 days from the date of the Order or until you present evidence to the board of meeting all requirements for renewal of the license as set forth in the Order, whichever is longer. These include that you provide satisfactory evidence to the board that you currently have malpractice insurance in effect, and that you have not practiced medicine during the period of suspension. Satisfaction of the latter condition requires that you submit affidavits to the board by the 10th of each month during the period of the suspension, stating under oath that you have not engaged in the practice of medicine and surgery in Wisconsin during the preceding month. Please note that such an affidavit is due on July 10, 1998, and, should you fail to submit evidence that you have met all requirements for renewal of your license by July 22, on the 10th of each month thereafter. Please also note that the requirements for renewal include submission of documentary evidence establishing that you are currently covered by malpractice insurance.

At its meeting of August 26, 1998, the board considered evidence of completion of the requirements for renewal of his license submitted by Dr. Vosmek. The board also considered, however, evidence establishing probable cause to believe that Dr. Vosmek

has continued to practice medicine without a current registration. Accordingly, the board ordered that Dr. Vosmek's application for renewal be denied.

On October 21, 1998, the board considered a new Stipulation in the matter, by which Dr. Vosmek would be permitted to renew his registration upon satisfaction of a number of conditions, including that his license be suspended for an additional period of 30 days. Based upon evidence of Dr. Vosmek's compliance with the terms of the Stipulation, and in recognition of his having refrained from practice from the date of his execution of the Stipulation on September 29, 1998, until the board's meeting of October 21, 1998, as certified by his affidavit submitted to the board on that date, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the application of Josef F. Vosmek, M.D., for renewal of his license to practice medicine and surgery in Wisconsin is hereby granted, and the license is therefore renewed effective on October 30, 1998.

Dated this 21st day of October, 1998.
